

## Adopt A Horse

Caring for our herd of horses is no small undertaking! We have listed a few examples of the annual expenses that we incur in keeping our horses healthy and happy.

If you would like to adopt one of our horses through a donation(s) to support their annual expenses, we would be happy to have you join our family! Contact Sarah Bronson at 892-2813 X12 or by email [sbronson@ridingtothetop.org](mailto:sbronson@ridingtothetop.org).
