Tips:

- **Tell your story:** Personalize your page, let people know why you support RTT! Use pictures - RTT has a lot of great photos of the farm and riders; let us know if you'd like one!
- In the past riders have found that in addition to importing your contacts and email addresses to Razoo.com, it helps to send out an email from your own account—that way your friends and family are more likely to open it, and spam filters won't be likely to toss it in the bulk mail folder. Just **cut and paste your fundraising page link** into your email, add a personal note, and send!
- If you do not hear back from people right away, do not be discouraged! We are all busy and many people simply forget... it is ok to send a reminder!

Why Razoo?

- You can personalize an online giving page. It's a great way to **tell your story** to family, friends and co-workers (What does RTT mean to you? What do you hope to accomplish? Etc...)
- Online giving with Razoo.com is an **easy way to raise funds** for Riding To The Top Therapeutic Riding Center!
- Razoo has low processing fees and NO annual fee... which means more **support for RTT riders, horses and programs!**
